

Antioch Teachers Set For Workshop

Sixty-seven teachers will attend a workshop at Antioch Community High School on September 3, from 8:00 a.m. to 1:15 p.m.

Twelve new teachers have been added to the staff—nine as replacements and three as additional faculty for 1968-69.

Barbara Balsamello will replace Gayle Nicholas as English Speech and Assistant Forensics Sponsor; Bruce Bartosz will replace James Erdmann in Driver-Safety and Health Education and Coaching; Judith Folk will replace Kenneth Raymond as a French teacher and Yearbook Sponsor.

Suzanne Gerasch replaces Cheryl Bassler as an English teacher; Gary MacDonald will replace Terence Fero as a Math-

matics instructor; David McCarthy replaces Morris Sharp as Social Studies teacher and coach; Sharon Reich replaces Rebecca Daehler as Home Economics instructor and Ass't F.H.A. Sponsor.

Roy Sundquist will replace Larry Williams in Guidance Counseling and Coaching and Stephen Wapón will replace Andrew Hauptman as Driver-Safety Health Ed instructor and coach.

The following staff members were added because of curriculum improvement and enrollment increase: Keith Ewert, Business Education-Distributive Ed; Stephanie Orfali, French and German; Roland Schleusener, Industrial Arts and Coaching; Athletic Director, Ward Lear

reports that Antioch will have seven football coaches, one in cross-country; five basketball coaches, three wrestling coaches, three track coaches, three baseball coaches and one golf coach.

Freshman matriculation will take place Tuesday afternoon, Sept. 3rd, from 1:30 p.m. to 3 p.m.

Sophomores will register Wednesday morning from 8:30 to 10; Juniors from 10:00 to 11:30 and Seniors from 1:30 p.m. to 2:30 p.m.

All Freshman classes will be in session on Wednesday from 7:45 a.m. to 3:00 p.m.

On Thursday, Sept. 5, all classes will be in session with all students present from 7:45 a.m. to 3:40 p.m.

VOL. LXXXIII. NUMBER 10

ACHS To Ask Voters Again For \$2.6 Million

Antioch Community High School District residents will get a chance once again to vote on a \$2.6 million bond issue for a school building program.

The voters in the district last March 23 turned down a similar issue by a vote of 765 to 633.

The total vote in that referendum was 1,428.

William Brook, president of the ACHS board said the tentative date for the new referendum will be Nov. 16.

He said that all of the bugs will be worked out at the next meeting of the board.

"Our need was great before," Brook said, "and if anything, it is now aggravated."

Brook said there is an urgency to the situation because any referendum approved now would not come to fruition in the form

of new classrooms for at least two years.

The bond issue turned down in March would have provided 18 additional classrooms in addition to remodeling of what has been termed outmoded facilities which had been built in 1915, 1927 and 1952.

Brook said the new referendum if approved by the voters, would provide essentially what the last referendum asked for.

The district, which includes Antioch, Lake Villa and Newport townships, presently has a population of 18,050.

This is expected to jump to 20,470 by 1975.

The cost to the home owner for the program, as in the last issue, would be an increase of .2025 cents for each \$100 of assessed valuation.

In other words, if a home is assessed at \$10,000 the cost would be \$20.25 per year.

The present Antioch High School rate is \$1.475 and with the new rate it would be \$1.6775.

This compares favorably with surrounding school district operations.

School officials said the district's enrollment is expected to jump to an estimated 1,414 students by the 1975-76 school year.

The building program will provide for an enrollment of 1,600.

The addition would provide extra classrooms for English, social studies, mathematics, business education, choir and a boys' gymnasium and lockers.

There would also be space for driver and safety education programs, health, and speech rooms, a library resource center, a student study area, cafeteria, administration and related facilities faculty lounge and faculty offices and work rooms.

The board in other action adopted a budget of \$1,369,930 for the 1968-69 school year at their board meeting on Aug. 21.

This represented an increase of \$165,630 over the previous year's total and set the tax levy at \$954,000.

Some \$127,530 of this increase is in the educational fund, made necessary by the hiring of three additional teachers to meet an increased fall enrollment of from 75 to 100 new students; salary increases; and higher supply and equipment costs.

Money from the 1968 tax levies will not begin to come in until 1969 and were increased by \$85,900, according to Supt. Albert Dittman.

Two part time cafeteria employees were hired. They are Mrs. Elaine Portzen and Mrs. Patrick O'Neill.

The board increased the rental fees in connection with the future use of the school facilities by the community by approximately \$5.

Although there has been no serious criticism of the school's library materials, the board adopted a written policy to cover the sanction of library materials. This was done simply to supply the high school with guidelines when buying materials and for defending them.

The board officially adopted the Student Workbook and Teacher Manual for 1968-1969.

The board toured the building to check maintenance and repair work done during the summer months.

Pfc Mark Fournier Gets Bronze Star

Pfc Mark Fournier, Recon 4th Infantry Division received a Bronze Star on Aug. 15 for leadership, courage, dedication and valor in a mission in Vietnam Aug. 10, 1968. The presentation was made by Major General Charles P. Stone.

Fournier is a 1966 graduate of Antioch Community High School and entered service on June 16, 1967. He is expected to return from Vietnam Dec. 18, 1968.

He is the son of Mrs. Robert Vallumstad of Lake Villa and is the brother of James Fournier, who also was in Vietnam.

Fifty-one packages were sent to area boys in Vietnam Tuesday, thanks to the helping hand of Lorraine Mamola (front row left) Terry Corey, Debbie Daluge, Sherry Howen, Janice Kosar and Susan Howen. Back row, from left to right: Howard Pannier, of the Antioch Post Office, Mrs. Joan Zubor, Art Doty, Mrs. Mabel Daluge, Marilyn Moran and Mrs. Theresa Greffkowitz. Mike Greffkowitz who served in Vietnam and received his honorable discharge in May also helped with the mailing.

Winners Of 'Bust The Bank' Prizes Listed By Chamber

The Antioch Chamber of Commerce today announced the winners of gifts in the Bust the Bank promotion just concluded.

All of those participating in the promotion termed the project a huge success.

The youngsters who made many people happy by presenting the gifts included Thomas and Yolanda Holtz, 441 Fillmore Court, Antioch; Michelle and Keith Radke, 493 Orchard, Antioch; Janice Gerber, 324 Park, Antioch; and Wesley Kent Lowther, Rt. 4, Antioch.

Those receiving gifts and their awards include:

Grand prize from Charming Products—Gas barbecue: Margaret Karsten, 421 Harden St., Antioch (Barnstable's).

2,000 Trading Stamps from Blackman Real Estate: Mrs. D. Lundgren, Trevor, Wis. (Antioch V&S Hardware); Robert Longman, Salem, Wis. (State Bank of Antioch); Ferd Trunk, Rt. 1, Box 714, Antioch (Gibbs & Jensen); Ruth Kohl, Rt. 4, Box 107, Antioch (Barnstable's Dept. Store); S. Sullivan, Rt. 2, Box 97, Antioch, (Gibbs & Jensen).

Engraved Door Knocker from Cerniak Real Estate: Florence Knippenberg, 243 Oakwood Drive, Antioch, (State Bank of Antioch); Elsa Winn, Salem, Wis. (State Bank of Antioch); Ruth Kohl, Rt. 4, Box 107, Antioch, (Hahn Jewelry); Vivian Mapleshorpe, 510 Lake St., Antioch, (Antioch V&S Hardware); Donald Kosh, 9011 W. Ballard, Des Plaines, (State Bank of Antioch); Dan Lott, Silver Lake, Wis. (Barnstable's).

\$15.00 Gift Certificate from Foremost Liquor Store: Roger Hagl, Rt. 3, Box 830, Lake Villa, (State Bank of Antioch).

Hand Carved Swiss Music Box from The General Store: Leslie H. Quirk, Rt. 3, Box 770, Antioch, (Barnstable's).

\$25.00 Savings Bond from Harold's Restaurant: Mrs. L. Broberg, Salem, Wis. (Gibbs & Jensen); Anna Kohlegk, 3047 S. Lawndale, Chicago, (Antioch Savings & Loan).

2,000 Trading Stamps from Intermission Restaurant: Terry Kraemer, 616 Piper Lane, Lake Villa, (Barnstable's); Clarence E. Graham, 977 Victoria St., Antioch (State Bank of Antioch); Bernice Bernau, 104 N. White Oak, Lindenhurst, (King's Drug Store); Mrs. Charles Moran, Rinear Rd., Antioch (Barnstable's); Jean Mueller, 521 Piper Lane, Lake Villa (Barnstable's).

Pair of Auto Head Rests from Lyons & Ryan Ford: Dolores Christopher, Lake Shangri-La, Wis. (Antioch Drugs).

Dems Golf Day Draws Crowd

The main fund raising activity of the Democratic Party of Lake County drew more than 600 guests last week to hear former Governor Terry Sanford of North Carolina and prominent state and local Democrats.

The day-long festival event was held at the George Diamond Country Club near Antioch.

A steak dinner and an evening of speeches with State Representative Dan Pierce as Master of Ceremonies was preceded by a day of golf, swimming, and visiting with such officials as Secretary of State Paul Powell.

Sanford, a close associate of Vice President Hubert Humphrey,

has been prominently mentioned for the number two spot on the Democratic National ticket.

In his speech, Sanford said he is a Paul Powell-Al Salvi kind of Democrat. Salvi, who introduced Sanford, is the Democratic candidate for Congress, and a backer of Senator Eugene McCarthy for President.

The governor drew applause when he said that states should have more responsibility in implementing and polishing federal programs in problem areas such as poverty, urban development, and education.

He drew more applause in dis-

New Club Chartered

Antioch now has a new Rotary club. It has been chartered and members are awaiting their official recognition from Rotary International, according to Don Rawlins who is a member of the Richmond (Ill.) Rotary club, and who was appointed to help set up the Antioch Chapter.

The newly elected officers of the Antioch Rotary Club are Vincent J. Padla, president; Owen Duffy, vice-pres.; and Mike Ano, secretary. Directors include Bill Mendrala, Trevlyn Potlenger and Irv Pedersen.

Other charter members are: Don Amundsen, John Bajak, Gordon E. Cornelius, Ted Costoff, Bill Curran, Robert J. Curran, Jr., Walter Daniels, John Heick, Kenneth P. Jandula, Joe Pechulis, Gino Picchetti, Frank ReCupido, Dr. Irving Resnik, Albert Schroeder, Russell Stanley, Vern Thelen, Cliff Vanderwerker, Dr. John Vermeren, George Vistain, Michael Warren, Robert P. Schneider, Dory Olson and Lester Shaffer.

Rotary International consists of 13,000 club in 137 countries with about 800,000 members according to Rawlins. The basic philosophy and ideal of Rotary is world peace and understanding.

Several Antioch residents who had belonged to Rotary in other communities, requested that a Rotary Club be started here. A committee from the Richmond club was set up to look into the

Will Bong Base Be Reactivated?

Bong Air Force at Kansasville, Wis. is very close to Antioch.

Rep. Roman Pucinski (D., Ill.) has outlined a plan for the use of this field.

Pucinski feels that a consortium of commercial air-freight lines could take over and administer Bong, financing its operation through landing fees as is now done at O'Hare.

Radar instrument approach equipment etc. could be supplied by the Federal government, and in turn the government could be allotted space for military needs.

for a 300-million-dollar expansion program in passenger and service.

The big problem is where to move the military installations and aircraft. Glenview naval air station is already at top capacity, and residents of the area would not welcome an expansion.

Truax field near Madison, Wis. has been considered as an alternate site—but it is so far away from Chicago residents, that many would be forced to drop out.

Pucinski feels that Bong might be the solution. The huge base was begun in 1956 to accommodate the biggest military transports at that time and he feels that it could handle the military traffic from O'Hare as well as commercial air freight.

Jaycees Aid Olympic Fund

The Lake Region Jaycees are cooperating with the U.S. Jaycees Olympic Committee and will be collecting donations in town Saturday, Aug. 31.

A \$1 donation entitles the donor to an Olympic pin; for \$2.00, he will receive an embossed emblem. A \$10 donation entitles the donor to an Olympic plaque. Smaller contributions are also welcome.

Young people of Antioch will help the Jaycees in the collection. Chairman of the Olympic Fund Drive is Richard Schlarbaum.

The U. S. Jaycees cooperate with the Olympic Committee every year in helping them raise funds. This is the first year that the Antioch Chapter has participated in this cause.

"By contributing to this fund, you will be strengthening America's position of world leadership and prestige," says the Olympic Committee.

Rescue Squad Golf Outing Set Sept. 11

The annual Antioch Rescue Squad Golf Tournament, sponsored by John Tersei Chevrolet-Oldsmobile, will be held this year on Wednesday, Sept. 11, at the George Diamond Country Club, Rte. 59 and Grass Lake Road.

Festivities will get under way at 7 a.m. when the early risers tee off for golf.

Luncheon will be served from 12 noon to 2 p.m. and dinner will get underway at 7 p.m.

The \$10 donation for the ticket will entitle the holder to golf, luncheon and dinner.

Besides golf and food, those attending will be in line to pick up some prizes and dancing will be held after dinner.

If it rains on Sept. 11, the event will be rescheduled for Sept. 18. The golf event is one of the biggest fund-raising events of the year for the Antioch Rescue Squad.

Watch For Kids

Next week a huge sigh of relief will be heard around the nation. The kids will be going back to school.

But with the coming of school comes an added menace in every community.

The days grow shorter—the light gets dimmer earlier—and the youngsters dart into the street.

We have run up a wonderful record during the summer months in protecting our children because they sometimes don't think and as a result almost become traffic statistics.

Every motorist must become more alert as the daylight hours grow shorter, and more kids are going to and from school.

We urge you all to take it a little slower on that turn and look a little more closely for the little people that are sure to be there.

We kind of like our little people.

We would like to see them grow up and get a chance to become big people.

We Weep For TV

A great hue and cry is being heard this week about the curtailments that has been imposed on the television industry in covering the Democratic Convention in Chicago.

We would like to shed a huge crocodile tear for them, but we cannot.

Apparently the media has found out that the mayor of Chicago is more interested in protecting lives than in getting nationwide coverage.

We could feel more sympathy toward our fellow news gatherers in television-land if we had not witnessed the coverage of the Republican convention.

We could have sworn that the floor fights depicted by the television interviewers were contrived by the television interviewers to jack up an otherwise dull affair.

We are not at all impressed by the fact that the television industry cannot park their vans at the doors of hotels, blocking the way of the delegates who are there for the purpose of selecting a candidate.

We feel that in Miami, if the television cameras had not rolled onto the scene, the small fracas in the black neighborhood would have died out except for the focus of the networks beamed on it.

And we really weep that only seven from each network can get on the floor of the convention while other news media has trouble getting one pass to the press section.

It is a shame that a political party in the United States cannot select a candidate without the fear of a shot being fired or the doors being battered down by those who want only to disrupt orderly process.

But we cannot in all good conscience see where the mayor of Chicago, or any other mayor for that matter, can put a little publicity above the preservation of law and order.

It may seem a little harsh to have armed guards in the camp, so to speak, but if there is any other way no one has come up with an answer.

Your Congressman Reports....
By Cong. Robert McClory

The work in a Congressional office does not come to a halt during a recess of the Congress. Indeed, although many Members of the U.S. Senate and House are attending political conventions during the month of August, it is business as usual on Capitol Hill.

The number of early summer visitors to Washington decreased dramatically immediately following the riots and the "Poor People's March." But this situation has changed again. Now, many 12th District families are making vacation treks to our Nation's capital and the office of their Congressman is scheduled in their itineraries.

Correspondence on such issues as Federal gun controls and the proposed travel tax has diminished, but a steady stream of letters on other national issues continues to arrive.

As the Second Session of Congress will resume on September 4, a review of the legislative calendar has been necessary. The issues which remain are not as numerous as they are controversial. Such subjects as foreign aid, military appropriations, and the contested appointments of Justice Fortas and Judge Thornberry remain unsettled.

Most importantly, Congressional staffs continue to render constituent service during periods of recess -- as fully as at other times. Problems affecting our servicemen, our veterans, social security recipients, and many, many others -- are handled as promptly and conscientiously as during the period when Congress is in session.

Those who communicate with the Washington office of this Member of Congress -- during these brief weeks of the Congressional recess -- will find little difference in the degree of response. "Business as usual" means getting on with the job of serving the 12th District, in-or-out of session! As a footnote, however, it is this Member's opinion that his Washington office staff find life less hectic -- in his absence.

Letters to the Editor
Antioch News
Letter to the Editor:

21 Aug. 1968
NO DEFENCE
This is an opportune time to remind the citizens of the United States of America, of one of the "home-front" urgencies of the Communist party U.S.A.

In order for the Communist party U.S.A. to have any chance at all of trying to police our country, after their takeover, they must first see to it, that the arms are taken from the hands of the people.

Failing in this, they stand no chance whatsoever.

These opening paragraphs are made to point out the fact that the people of Czechoslovakia had their arms taken away many years ago.

They are now trying to regain freedom -- with what? Stones against tanks? Pitchforks against rifles?

As long as communist murderers roam our land, I say, let's fight to keep our arms, the time will come when we will need them.

James R. Hazelton

Wm. Tell Fair at New Glarus

The 1968 edition of the Tell Outdoor Fair in New Glarus, Wisconsin, has been scheduled for Sunday, Sept. 1, at the village park. Rain date, Sept. 2.

Swiss music, flag-throwing, yodeling, and 90-minute evening Alpine Festival programs also highlight the weekend. Each year during the Tell Festival, New Glarus families open their homes to overnight guests.

Swiss foods and other delicacies are available at authentic Swiss shops and restaurants in the village, which has a population of 1500.

FOOD & FASHIONS
The big winners at the St.

Vending Machines...

(Continued from page one)
men who have these machines still don't realize the revenue they are missing by not having contracts outlining procedures and percentages.

The syndicate has for many years tried to dominate the coin operated machine business; for one basic reason, big money. They threaten and intimidate businessmen into using their machines, and because of fear of reprisals, these same men are afraid to ask for an accounting or demand a clearly written contract which spells out percentage of return, and accounting procedures. This is not an area of interest to police, as most of these operations are not illegal, just poor business practices which too often feeds the syndicate.

How can a businessman tell if he is dealing with a reputable vending machine operator? There is a national organization--National Automatic Merchandising Association, to which more than 6,000 vending machine operators belong. They don't claim that all ethical vending machine operators belong to their organization, but they do feel that their members are honest hard-working businessmen.

One area of interest to many of the municipalities is the licensing of vending machines, and the Lake County Crime Commission has found that many vending machines, which should be licensed, are not. Most communities require some visible evidence of licensing.

The Lake County Crime Commission would welcome requests for assistance where problems may exist relative to vending machines.

Bus System For Spring Grove

Spring Grove Grade School has a new superintendent. He is George N. Boyd, who comes from Springfield, and is now making his home in Richmond.

Boyd has been a coordinator of programs for gifted children in the office of Ray Page, state superintendent of public instruction. He was also a superintendent in the Carbondale, Ill., grade school district.

Two innovations have been brought to the district--an ungraded primary, where students progress through grades one through three at their own rate and a bus transportation system. Enrollment is projected at 200 students for the new year and the faculty with nine teachers is completed.

EVERY TIME A STRANGER CROSSSES YOUR SIDEWALK, YOU RISK DISASTER! There are many potential hazards on your property. A passerby could trip and break his leg. Next thing you know you're being sued. Can you afford such a financial risk? Or losses resulting from storms, thefts or fires? It pays to know you can get full protection at a remarkably low cost with a State Farm Homeowners Policy. Holstein Dairymen Select Trademark

Elmwood Farms, Inc., Antioch, and Hershel Flower, Fairbury, Nebraska, will have the exclusive use of "Sko-Flo" as the prefix in naming all Registered Holsteins bred in the herd.

The use of this herd identification name has been granted by Holstein-Friesian Association of America, Brattleboro, Vermont. It becomes one of more than 48,300 officially recorded prefixes in the Association's files.

By reserving a prefix, a Holstein dairymen establishes a "trade mark" which is used in all published information concerning the performance of his cattle. It becomes the first part of the name of every animal bred in the herd.

The origin of prefix names often stems from farm names, family

Dems Golf Day.....

(Continued from page one)

cussing the poor when he said that the aim of Democratic programs too is to help people so they can support themselves and contribute as citizens.

The Governor also noted that "A person who wants to be creative in government finds himself in the Democratic Party."

Powell said the United States needs a two-party system and Sanford indicated Lake County needs a two-party system. Powell noted that the Republican platform "... tells nothing ... and Goldwater and the late Norman Thomas could both run on it."

He detailed many ways in which his office has increased revenue to the state through efficient operation and better service to the citizens of Illinois.

Powell was introduced by State Representative John Matijevich of North Chicago.

Other Democratic candidates at the meeting were Albert L. O'Connor, Waukegan, candidate for State's Attorney; Robert E. Darling, Winthrop Harbor, candidate for Recorder of Deeds; Marion E. Wietor, Round Lake Heights, candidate for Circuit Court Clerk; and Dr. N. H. Altenberg, candidate for County Coroner.

Also participating in the program was Herbert L. "Hub" Stern, Lake County Democratic Chairman, and Allen Nelson, Chairman of the day's activities.

name combinations or unique geographical or historical features of the farmstead. Members of the immediate family of the person for whom the prefix is recorded may also be allowed to use the prefix when the herd is a single unit.

Use Utmost Care In Labor Day Driving

At 6 p.m., Friday, August 30, streets and highways will start to fill as nearly every automobile in the nation takes to the road.

"Traffic will be much heavier than normal during the 78 hours of the Labor Day weekend," according to Jerry Klebe, Executive Director of the Lake County Safety Commission.

"During this time many families are returning from their summer vacations," Klebe said. "Others take advantage of the long weekend to try to crowd long trips into the three days. Still more will take shorter trips to favored swimming and boating areas, camp grounds and picnic sites."

"Almost always there are more traffic accidents during the holidays than during comparable nonholiday periods," Klebe said. "The last two Labor Day weekends were no exception."

"Our own holiday should not be one marked by tragedy," he asserted. "We must work together to make Labor Day this year the safest on record."

Rescue Squad Calls

Aug. 19, Francis Horsh of Rt. 3, Antioch, Victory Memorial Hospital.

Aug. 21, Carmen Luciani of Rt. 3, Antioch, Victory Memorial Hospital.

Aug. 24, Henry Luloff of Oakwood Knolls, Antioch, Victory Memorial Hospital.

Aug. 25, Leona Sloniwak, Lee's Resort, Antioch, Victory Memorial Hospital.

Aug. 26, John Mehlhorn, Rt. 4, Antioch, Victory Memorial Hospital.

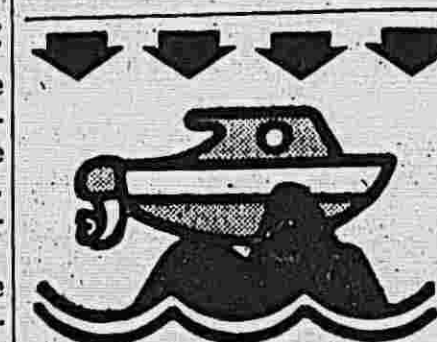

The Lake County Safety Commission asks everyone planning trips to be sure to follow these tips.

Give yourself plenty of time for the journey--with extra time out for frequent rest stops.

Don't drive if you become overtired.

Keep alert for drivers in order to protect yourself and your family from another's mistake or recklessness.

Don't drive after drinking. Be sure to buckle your safety belts at all times.

New Club Chartered

(Continued from page one)

possibilities. A survey was conducted first, to see if there were enough businesses and enough interest within Antioch to make a Rotary Club practicable.

"Rotary is a unique club," Rawlins said. "Only one man per business and one man per career classification may belong." He mentioned that this rule helps to prevent manipulation of clubs and competition within them.

The committee then sent invitations to a small group of five or six Antioch men to meet and discuss the Rotary organization. When the Antioch organization applied for its charter, there were 29 members.

October 14 has been selected as Charter Night. Some 400 Rotarians and their wives from many communities in southern Wisconsin and northern Illinois, will attend. The event will take place at George Diamond's Country Club, and featured speaker will be Clifford A. Randall of Milwaukee, a past Rotary International president.

LESS THAN 18%

While food expenditures have increased in 1967, the proportion of disposable income spent for food continued its steady decline. Food purchases now take less than 18% of the wage-earner's disposable income, the lowest in history. How can this be? This country's standard of living is going up faster than the cost of living. Personal income is moving up at a faster pace than food costs.

New R.R. Museum Open This Weekend

The Illinois Railway Museum is under construction at Union, Illinois, in southwestern McHenry County.

Chartered as a non-profit historical and educational museum, it will have both trolley cars and a steam train operating on frequent schedules to take visitors for "souvenir" rides over its 112-year-old railroad station.

The museum will be open over the Labor Day weekend for inspection of the dozens of relics of the heyday of railroading and to take souvenir rides.

Completion of the museum, is expected by 1972. Members of the Illinois Railway Museum are doing practically all the construction themselves, and will be working at the museum over the weekend. Some of the "laborers" lay-

ing ties and tracks, shoveling dirt, painting and serving as "train employees" include three Catholic priests, a protestant minister, an astro physicist, owners of retail establishments and industrial firms, and others from all walks of life.

All are devoted "railroad buffs" and work at I.R.M. without pay to help create a railroad without any government funds whatsoever.

Treasures include a 1908-built open-platform red Chicago street car; an old Chicago street car snow sweeper; ancient wooden Chicago elevated cars; old passenger coaches, several steam locomotives and private cars of presidents of railroads from long ago. A luxurious brass-railed observation car that once carried President William Howard Taft will also be on display.

Winners Of.....

(Continued from page one)

Willett, 897 Main St., Antioch (Antioch Drugs); Mrs. Marjorie B. Kempf, Rt. 1, Box 836, Antioch (Hahn Jewelry); Joan Pittner, Rt. 1, Box 988, Antioch (The Shoe Box); B. Ott, Rt. 4, Box 86, Antioch (Antioch Drugs); David Young, Rt. 1, Box 527, Antioch (Barnstable's).

5,000 Trading Stamps from John Teresi Chev-Olds; Mrs. Pauline R. Hart, 385 Maplewood Drive, Antioch (Antioch V&S Hdwe.); Sophie Schabow, Rt. 5, 12 First Ave., Antioch (1st Nat'l Bank).

5,000 Trading Stamps from Tiffany Real Estate; Dorothy Johnson, Rt. 4, Box 276, Antioch (Barnstable's); Mrs. Mike Rusch, Rt. 1, Box 76A, Salem, Wis. (State Bank of Antioch).

An RCA Radio from Wilton's Electric Shop; Mrs. Phyllis Gardino, Rt. 1, Box 202, Antioch (Barnstable's).

All gifts must be picked up by Sept. 7.

Governor Proclaims

(Continued from page one)

this lifesaving work."

Cavanagh said parents also should emphasize to their children that they must cross only at those intersections attended by a School Safety Patrol member, an adult crossing guard or a policeman.

"Parents have the responsibility for teaching their youngsters to be cautious and safe pedestrians," Cavanagh said.

As part of this year's "School's Open Safety Week" campaign the Chicago Motor Club again is mailing thousands of posters to school and municipal officials, urging safety during this critical period.

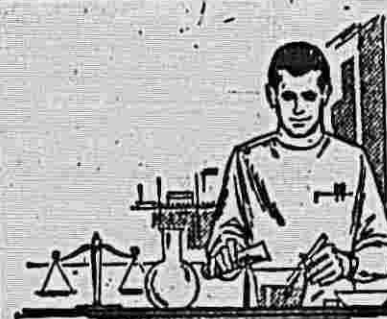

Memorial Mass For Lt. Graham Today

A Memorial Mass will be said at St. Peter's Catholic Church in Antioch on Thursday, August 29th for 1st Lt. Anton J. Graham who was killed in action 24 years ago while leading Co. I, 9th Infantry 2nd Division in the Battle of Brest, France.

Lt. Graham was the son of Mr. and Mrs. Richey V. Graham of River Forest and Channel Lake, and was the grandson of the late Mayor of Chicago Anton J. Cermak.

Quotas Needed: Kirchner

Permanent quotas are needed on non-quota dairy products to clear the way for better returns in the marketplace for this nation's dairy farmers, Walter C. Kirchner, treasurer of Pure Milk Association, Chicago, testified at a hearing before the U.S. Tariff Commission in Washington, D.C.

Testifying for Pure Milk Association's 10,000 dairy farmer members in Wisconsin, Illinois and Indiana, Kirchner declared that the future of dairy production in the United States can be questioned if the dairy import problem is not corrected to benefit dairy farmers of this country.

"The unrestricted importation of non-quota dairy products places a ceiling on dairy farmer income," makes dairy prices subject to manipulation, aggravates the draft of dollars in foreign trade, and raises the cost of dairy price support programs unnecessarily," he stressed.

"Excessive imports of non-quota dairy products militate against the achievement of parity prices by its nation's dairy farmers for milk used for manufacturing purposes," he asserted.

"If no non-quota dairy imports had been permitted in 1966 there would have been no need for the government to purchase any dairy products that year," he pointed out. "Instead, it is estimated that the government spent over \$29 million to purchase dairy products which became surplus because of heavy non-quota imports."

Kirchner urged the Tariff Commission to recommend to the President that he place permanent quotas on condensed and evaporated milk, cream, most types of cheese and substitutes for cheese, and various dairy products not now subject to import restrictions.

Kirchner added that Pure Milk Association appreciates the fact that the President did issue a proclamation on July 1, 1967 placing import quotas on various types of dairy products that had never been under quotas before and that on June 10, 1968 he also issued temporary quotas on evaporated and sweetened and condensed milk.

Antioch Man Has Colorado Vacation

Gerald VanderMeer, Antioch, manager of the Country Companies Insurance agency in Lake County, was awarded a three-day vacation to Vail Village in Vail, Colorado, August 19-22.

One hundred and ninety-five Country Companies agents throughout the state qualified for the companies' annual "All Star" trip by reaching 60 per cent of their personal life insurance objective and 50 per cent of their health insurance objective during the first seven months of 1968.

Navy to Provide Cachel Service for Apollo 7 Flight

Forces of the U.S. Navy will again provide collectors with first-day cachet and cancellation services for the upcoming Apollo 7 manned space flight.

Philatelic coordinators designated for the U.S. Atlantic and Pacific Fleet Recovery Forces (Task Force 140 and 130) will receive all such envelopes and make the distribution to assigned ships.

To permit adequate time for required handling of Atlantic ship covers, collectors should air mail pre-stamped, self-addressed envelopes to arrive at Norfolk prior to September 1968.

Due to the popularity of this service and the limited postal facilities aboard recovery ships, no more than 8 covers can be accepted from each individual collector. Collectors may send an additional 4 covers to Task Force 130, the Pacific Recovery Force.

The following are addresses for the Atlantic and Pacific area coordinators:

TASK FORCE 140
Public Affairs Office (Apollo 7) Manned Spacecraft Recovery Force, Atlantic
Building SP-71, Naval Air Station Norfolk, Virginia 23511
TASK FORCE 130
Chief-in-Charge (Apollo 7) Navy Terminal Post Office PPO San Francisco, Calif. 96610.

Shorter School Day For Salem Central

Vaughn Sorenson, the new principal of Salem Central High School has instituted a change in the school day. Instead of eight periods, the day will consist of seven 55 minute classes. Students will be released at 3:10 p.m.

An enrollment of about 870 students is expected at the beginning of the fall term. Last year's enrollment was 825. Thirteen new teachers have been hired. They are: Louise M. Sundquist, English; Marguerite Palma, mathematics; Vera Solomatko, French; Marcus Olsen, social studies; George Schlager, science; Wayne Erickson, science; Mrs. Jean Carlson, home ec.; Roberta Sasche, home ec.; James Grudinski, boys' physical ed; Judith Hodell and Janet Konow, physical ed; Mrs. Amy Callahan, library and Mrs. Gertrude Schimmler, business ed.

Doug Bradley will be head football coach and James Grudinski will be assistant coach and for basketball and track. The new head track coach is Frank Milz.

Four classrooms, including one typing room, were equipped with new desks and the industrial arts department also added new printing and sheet metal machinery.

Assistant principals at the school are Ralph Antes and John Daily and Dormund Grams is Athletic Director.

Call 395-4111 to place a Society or News Item.

Why wait for a gas self-cleaning oven?

Go out and buy one.

The ranges good cooks have been holding out for are here. New gas ranges with self-cleaning ovens. (And everything else.)

The oven cleans itself automatically. Reduces dirt and soil to clean, white, wipe-away ash. And you can even vary the cleaning cycle according to

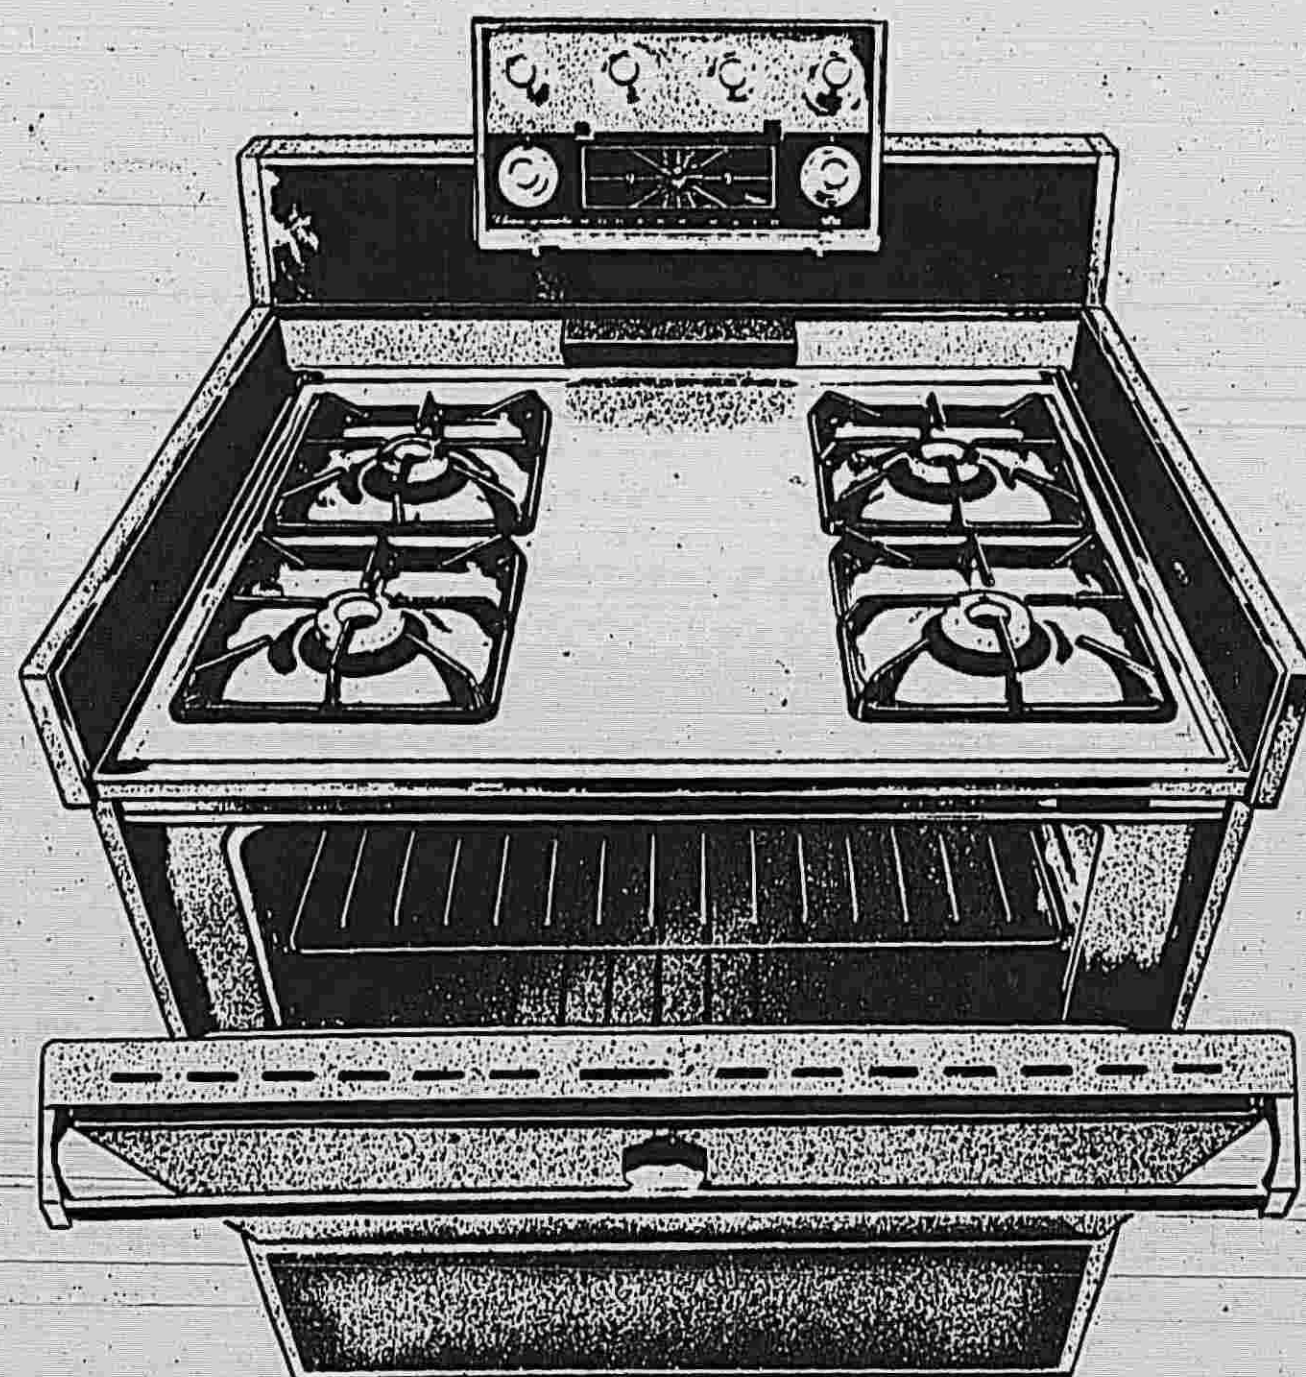

the amount of soil in your oven. But that won't help you cook any better.

What will...are the features of gas ranges. Traditional ones, like precision control of every phase of top-of-stove cooking. And new exciting ones...like automatic cooking and gas infrared broiling.

(Gas infrared broiling units cook quickly...provide eye appealing browning, too.)

See the new gas ranges with self-cleaning ovens at your nearest Northern Illinois Gas Company office or appliance dealer.

THURSDAY, AUGUST 29, 1968 THE ANTIOCH NEWS 4

Millburn News

By Mrs. Frank Edwards
Elliot 6-6795

Regular services at Millburn Congregational Church Sunday, September 1, Church services at 10 a.m.

The Devotional Study Group met at the home of Mrs. Charles Lucas last Thursday with 10 members present. The next meeting will be September 12 at 9 a.m. at the home of Mrs. Carl Anderson.

The baby baptized at the Sunday morning service of the Congregational church was Keith Edward Smith, son of Mr. and Mrs. Harold Smith, born June 6.

The annual Millburn Home Sunday has been postponed for a month, to the second Sunday in October.

Sunday School will be in session Sunday, Sept. 8, after the summer vacation.

Mr. and Mrs. Kenneth Deedon and children, Glen and Dawn, returned home Wednesday after spending several days in northern Wisconsin.

The September committee of Millburn Ladies Aid will serve a Cafeteria dinner in the church dining room Thursday, Sept. 5, at 12 noon. Dinner committee: Mrs. Edwin Denman and co-chairman, Mrs. Roy Bonner. The business meeting of the Aid will meet in the church parlor at 1:30 p.m. Devotions by Mrs. Harley Clark, and program by Mrs. Milton Bauman. The public is invited.

Mr. and Mrs. Arthur Hauser of Kenosha, Mr. and Mrs. Elmer Hauser of Waukegan and Mr. and Mrs. Glen Hauser and son, Kevin, of Antioch were callers at the home of Mrs. Frank Hauser, Sunday evening.

Mr. and Mrs. James Bonner and family of Kansasville, Wis., were callers at the home of Mrs. Harley Clark Sunday evening.

Members of the Social Club enjoyed a dinner at "The Arbor" at Bluff Lake Monday evening.

The car to watch is the car behind the car in front of you.

Where The Boys Are

SPOKANE, WASH.—Charles T. Griebel, son of Mrs. Alice Griebel, Trevor, Wis., has been promoted to sergeant in the U. S. Air Force.

Sergeant Griebel, a supply inventory specialist at Fairchild AFB, Wash., is a member of the Strategic Air Command.

The sergeant, a 1963 graduate of Wilmet (Wis.) Union High School, attended Eastern Washington State College.

His wife, Paula, is the daughter of Mr. and Mrs. Robert Brown, Virginia Way, Longview, Wash.

The sergeant's father, Jack Griebel, resides in Mazeppa, Minn.

Sgt. Joseph Enis is at home on a 30 day leave following a year of overseas duty. He served in Vietnam with the U. S. Army Special Forces. Joe will return to Vietnam for another 6 months, then finish his term of enlistment at Fort Bragg, N. C.

Sharon Dittman Awarded Degree

Congratulations to another Antioch High graduate, Sharon E. Dittman, class of 1960, who has recently been awarded a graduate degree as Master of Library Science.

Sharon, the daughter of Mr. and Mrs. Albert Dittman of 540 Phillips Circle, Antioch, is practicing her profession as library director of the Highland Park High School.

Until last June she had been in a similar position at the West Chicago High School, having begun there after receiving her bachelor's degree at the University of Illinois in 1964.

Do you have a boy in college or can you save some of your money?

Legion Auxiliary

By Del Jahneke

Mrs. Bernard Stadick, President; Mrs. Lester Zilkus, Secretary; Mrs. Ray Rathmann, Junior Past President; Mrs. Edward Jahneke, Historian; Mrs. F. A. Swenson, Chaplain; and Mrs. Frank Kennedy, Sr., Treasurer, were in attendance at the 10th District American Legion Auxiliary Installation of Officers, held at the Gurnee American Legion Home on August 14th.

Mrs. Richard Brady, Gurnee, was installed as 10th District Director, by her mother, Mrs. Alta Schmidt, Chicago, the installing officer. Other district officers are: Alternate Director, Mrs. John Mould, Waukegan; Dist. Secretary, Mrs. Robert Gleason, Libertyville; Dist. Treasurer, Mrs. Ray Rathmann, Antioch; Dist. Historian, Mrs. Robert Broege, Deerfield; Dist. Chaplain, Mrs. Thomas Rizzo, Lake Zurich; and Dist. Sgt.-at-Arms, Mrs. Joseph Hogue, Waukegan No. 281.

Mrs. William Schultz, North Chicago, is now the Junior Past Director.

Mrs. Gleason presented the Past Director's Bar to Mrs. Schultz.

The Junior Past Department (state) President, Mrs. Stanley O. Legren of Des Plaines, was a distinguished guest speaker. She complimented the 10th District Auxiliary on their many achievements and activities. Another honored guest was Mrs. Elaine Murphy, 11th Dist. Director. Most of the 10th Dist. American Legion officers were present, and the Dist. Junior Past Commander, Thomas Rizzo, Lake Zurich, and Dist. Commander Dan Kasten, Mundelein, gave brief congratulatory talks.

The 10th District's two Traveling Trophy Plaques, the "Leona Thomas" plaque for the Unit having the best year round Americanism program, and the "Francis Mieczynski" plaque for the Unit having the best year round rehabilitation program went to the Libertyville Unit.

The Department appointments were announced as follows: Mrs. William Schultz, Dept. Legislative Chairman; Mrs. R. Broege, Dept. Downey Hospital Director; Mrs. Henry Reinke (formerly of Antioch), of Waukegan, Dept. Downey Hospital Deputy Director; Miss Jacqueline Walters, Grayslake, Dept. Committee Member of Coupons; and Mrs. Jahneke, Dept. Committee Member of Publicity.

Mrs. Brady then read her District Chairman appointments. Approximately 350 members and guests attended the installation.

Christine Marie

Stork Finds Eberman Home

Elmer ("Chip") and Nancy Eberman are the proud parents of a beautiful brown eyed baby girl, Christine Marie, born last Friday morning, Aug. 23, at Victory Memorial Hospital.

Christine weighed 6 lbs. 8 oz. at birth and is the first child of the "Chip" Ebermans.

The maternal grandparents are Mr. and Mrs. Larry Taylor of Skokie and the paternal grandparents are Mr. and Mrs. Elmer Eberman of Channel Lake.

Social Notes

By Del Jahneke

The F. A. Swenson family, Deep Lake, were very happy and proud grandparents, as they viewed the wedding of their granddaughter, Miss Patricia Swenson, to Mr. James Hoffman, in the First Congregational Church of Whitewater, Wisconsin, on Saturday, August 17th. The former Miss Swenson is the daughter of Mr. and Mrs. Francis Swenson, of Milton, Wis. Mrs. Lester Zilkus of Antioch was the soloist for her niece's wedding, and sang two songs, "Because" and "The Lord's Prayer." Several hundred guests were present for this lovely wedding.

The Walter Bucherts visited Mrs. Buchert's niece, Miss Alice Glade, in Bensenville, recently. Then, they had a pleasant surprise when Mrs. Buchert's brother, John Valentine, of Lake Zurich, and his daughter and her children (Mrs. Sherwood Owens of North Hollywood, Calif.) were guests at their home a few days ago. The Bucherts hadn't seen their niece and her family for several years.

The lodge members reported that their salad bar luncheon card parties were most successful.

Mrs. Clarence Perkins and Mrs. John Hagen were the hostesses. There will be a nomination and election of officers for the ensuing year at the Sept. 4th meeting, to be held at the Antioch Legion Home at 8:00 p.m.

The lodge members reported that their salad bar luncheon card parties were most successful.

Clothes Can Be Fire Hazard

Almost every mother knows that her child's safety is at stake when he crosses a busy thoroughfare or plays near the edge of the water. But how many mothers know that when they buy back-to-school clothes for their children, they might be buying a potential fire hazard?

Burns from clothing that catches on fire account for 1,500 deaths each year. Furthermore, statisticians estimate that 100,000 people suffer disabling injuries because their clothes catch on fire.

Particularly dangerous are flowing robes, flared skirts, blousy sleeves, and clothes with ruffles and frills or a napped, textured surface.

Older children should be taught about the dangers of fire as soon as they are able to take direction. They should learn to be cautious when they are near common sources of fire such as space heaters, stoves, and burning trash or leaves.

Parents and children should know what to do in case clothes catch on fire. The natural tendency is to panic and run. If fire strikes, throw the victim to the ground and slowly roll him over and over. This stifles the flames and prevents them sweeping upward to the face. If a blanket or rug is handy, roll the victim in that the quench the flames more quickly.

New Son For Fred Zeiens

The Frederick A. Zeiens of Rt. 2, Antioch, are the proud parents of a son, Frank William, born Aug. 23 at Condell Memorial Hospital, Libertyville.

Frank has a "big brother" Nicholas Edward, who is 3 years old.

The paternal grandmother is Mrs. N. Zeien of Antioch and the maternal grandparents are Mr. and Mrs. Ed Fauser of Downers Grove, Ill.

Labor Day traffic is bound to be "stop and go." Don't blow your top if you seem to stop more often than you go. It's only an illusion.

WOMEN OF THE MOOSE

By Jerry Stoken

The Meat Ball and Spaghetti dinner which was sponsored by the Publicly Committee of the Women of the Moose and held at the Moose Home on Saturday evening, August 24, was a big success. Over 100 dinners were served to the families that attended. The proceeds made from this dinner will be used to purchase all-weather coats for the children at Mooseheart.

Jr. Graduate regent, Jerri Polson, and colleagues May Palmer and Mildred Gillum attended the Star Recorders session which was held at the McHenry Moose Home on Tuesday evening, Aug. 20. Former Deputy, Grand Regent Mary Ferrone was the acting senior regent for the evening.

Magdalene Remsing, another former deputy grand regent filled the chair of Jr. Regent for the evening. Guest speaker was Grand Council member, Wilma Martinson, former dean of academy of friendship, Jr. regent Jerri Polson filled the chair of treasurer for the night.

The Mooseheart committee of the Women of the Moose has planned a Hay Ride for the members to be held on September 28. The publicity committee will be in charge of the chapter night program to be held at the Moose Home on Thursday evening, Sept. 5. A movie will be shown for entertainment and refreshments will be served.

Lakeside Rebekah Lodge No. 82

By Del Jahneke

"Friends Night" was celebrated at the August 21st meeting of the Lakeside Rebekah Lodge, held in the Antioch American Legion Home, and presided over by Mrs. Walter Buchera, Noble Grand.

Among the guests from other lodges, were these honored guests: Miss Verna Hobbler, Waukegan, District Deputy President; District Three President Mrs. Doris Didier, Evanston; District 3 Vice President Mrs. Nylmae Eustace, Waukegan; and District No. 3 Secretary Mrs. Gen Woods, Evanston.

The lodge members reported that their salad bar luncheon card parties were most successful.

Mrs. Clarence Perkins and Mrs. John Hagen were the hostesses.

There will be a nomination and election of officers for the ensuing year at the Sept. 4th meeting, to be held at the Antioch Legion Home at 8:00 p.m.

Beach Grove News

By Del Jahneke

Mrs. Thomas Jacobsen, Beach Grove, accompanied by her daughter and family, the Don Rodgers' of Oakwood Knolls, recently returned from a vacation spent at Erieau, Ontario, Canada. They were guests of Mr. and Mrs. Karl Sievert, Mrs. Jacobsen's sister, at their summer home, located on a peninsula between the bay and Lake Erie. They also enjoyed a family reunion while visiting with Mrs. Jacobsen's mother, and other relatives.

The Robert N. Dunlap, Jr. family, Grass Lake, spent last Saturday at "Santa's Village" near Dundee, since this would be one of their last opportunities to see Miss Dorothy Ide of Downers Grove, Mrs. Dunlap's cousin, performing in the ice-skating dance ballet. Miss Ide returns to Butler University this fall. The Dun-

laps received an unexpected bonus in both seeing and hearing speeches by Senator Everett Dirksen and Republican gubernatorial candidate Richard Ogilvie, while at "Santa's Village."

Band Campers Return Home

In case you might be wondering why there were so many cars parked in the Antioch High School parking lot last Friday around midnight—it was just the parents of the kids who went to Band Camp at Lake Bloomington, waiting the arrival of the busses.

The band campers finally pulled in around 1 a.m. and were a tired but happy bunch of kids. They had a wonderful time, but admitted they had to work, too—but loved it all! They attended classes until 3 p.m. and were permitted to go swimming or enjoy other forms of recreation until supper time.

The highlight of the trip was a visit to Chanute Field at Rantoul, Ill., on Friday. They toured the field and had supper in the USO cafeteria. The band and choir then entertained the boys at the USO.

Some of the performers have already received letters from the servicemen who enjoyed the performance expressing their appreciation to Antioch High School for providing them with this fine entertainment.

Mr. Joseph Rush and his staff again did a wonderful job of making music fun and interesting and most of the young musicians are looking forward to Band Camp 1969.

Mr. Joseph Rush and his staff again did a wonderful job of making music fun and interesting and most of the young musicians are looking forward to Band Camp 1969.

Top Honors Won By Local Girls At State Fair

Twenty-four Lake County 4-Hers who had won top honors at the Lake County Fair represented their clubs at the Illinois State Fair, where they competed with top winners from the entire state, August 14-16.

Pam Hunley and Heather Hunley of Antioch received an A-plus rating for their demonstration of rope making.

Kim Fischer of Antioch had a set of placemats on display.

Girls entered in the clothing classes won participation ribbons for attending all classes and participating in the style show. From this area were Linda Lagerstrom of Antioch and Susan Severson of Lake Villa, received ribbons.

Janet Schoelzel of Antioch was one of four girls who represented Lake County in foods.

Bonnie Davis and Alison Hevredjs of Antioch, representing Flower Arranging, each made four flower arrangements and were awarded green participation ribbons for taking part in the State Fair.

Registration At Emmons School On Tuesday

Registration Day at Emmons School will be Tuesday, September 3, from 9 a.m. to 10:30 a.m.

The bus will pick up the children as usual and will leave school at 10:30 a.m., when the children will return home. Parents may bring their children to school and take them home after registration.

Registration and book fee will be \$10.00 per pupil for all grades except kindergarten. The kindergarten fee will be \$7.50.

Emmons School already has an enrollment of 174 children—26 more than last year. The staff will include 9 regular teachers, and there will also be teachers for Art, Gym, Music and Special Reading.

Camp Meeting At Camp Wonderland

Bible study and fellowship with all the fervor of an old fashioned camp meeting will be featured during the Labor Day weekend at The Salvation Army's Camp Wonderland, six miles northwest of Antioch.

Inspirational meetings commencing at 7:30 p.m. on Friday, Sept. 2, and continuing through breakfast on Monday, Sept. 2.

Music for the pilgrimage meetings will be furnished by the Northern Illinois Youth Band, the Rockford Temple Band and the Pilgrimage Band.

Programs and activities are planned for children up to 13 years of age. Recreation will include swimming and boating on Center Lake, organized playground activities, tennis, baseball, horseshoe pitching and shuffleboard.

Meals and lodging for the entire family are available, including a nursery for babies and toddlers. For information and reservations write, Camp Wonderland, Camp Lake, Wis., telephone 414-889-4606.

Salem Grade School Has 7 New Teachers

Over 640 students enrolled Tuesday at Salem Consolidated Grade School.

Three elementary and intermediate teachers and four junior high teachers were added to the staff.

Mrs. Pat Davis and Miss Judy Liddle are now teaching second grade. Mrs. Ruth Uglow, who taught at Wheatland last year is teaching sixth grade and girls' physical education.

The new junior high teachers are Marcus Bittick, who will teach math, and John Spivak, science.

Mrs. Ethel Seno will teach art and Mrs. Ruth Ochsenrider will teach reading.

"Salem Grade School will have all new math curriculum," principal Dale Jensen announced. "This was recommended last year by the state math supervisor."

Ninety-six shopping days until Christmas. Plenty of time, if you don't have to spend too much time in the hospital as the result of an auto accident on the Labor Day weekend.

All work and no play makes jack for the nerve specialist.

YESTERDAYS

"Thanks for helping me keep track of what my buddies are doing" writes Paul Stenben of the Third Marine Division. "After I read the paper, I pass it on to Bill Wolk from Fox Lake, who also enjoys it."

James C. Holliman MM 2/c Camp Peary, Williamsburg, Va. sends greetings.

"I have had plenty of schooling since I joined last October, some practical and some theory," John Blackman MM 2/c informs us.

Gerald Rymard who left Tuesday morning for Boise, Idaho, after spending a five day leave here, has been commissioned a second lieutenant in the U.S. Army air force.

Lt. W. Jennrich who returned to duty Wed. after spending a 15 day leave with relatives in Lake Villa township, received word early today that he had been promoted to first lieutenant. He is being transferred from Camp Blanding, Fla. to Camp Robinson, Ark.

The faculty this year at Antioch Grade School includes: Mrs. Esther Wilton, kindergarten; Mrs. Fern Lux, first grade; Mrs. Lucille Whitacre second grade; Mrs. Charlotte Atkinson, Mrs. Fanny Yates, Mrs. Vera Ramsey, Mrs. Hester Garland, Mrs. Kathryn Bartlett and Richard Whitacre, eighth grade and principal.

(Headline) 132 Register In Peacetime Draft With Local Board

Models in the third annual style show presented by the Halcyn Club of Lake Villa were: Violet Schneider, Sharon Langbein, Judith Fath, Carlene Ekdahl, Marlene Nader, Lorraine Beck, Lena Eckdahl, Bessie Boyer and Georgia Avery. Mrs. Timmerman accompanied the models at the Solovox and Sue Weber and Jack Mahoney sang several songs. Wedding gowns dating from 1899 to present were modeled. Shown were those of Mrs. Mabel Holst, Beatrice Cribb's mother's gown, Mrs. Betty Reidel, Mrs. Helen Path, Mrs. Pam Pavel, Mrs. Charlotte Weber, Mrs. Helen Anderson and Mrs. Shirley Nader.

A new sign has been erected at the corner of Main and Lake Streets by the First National Bank of Antioch. Part of the sign revolves and tells time on one side and temperature on the other.

Officers recently installed by the Antioch Business Women's Club were: Mrs. Helen Patrovsky, president; Mrs. Mae Atwood, vice-pres.; Mrs. Darlene Roblin, treas.; Mrs. Dorothy Thompson, sec'y; Mrs. Lillian Hand and Mrs. Thomas Pecheusek social chairmen and Mrs. H. B. Gaston will have charge of refreshments.

A building permit for a \$32,500 medical clinic for Dr. J. W. Kopriva was issued last week by Walter Scott, building inspector.

The first of three 16-unit resort apartment buildings is construction on Rt. 21 just north of Grand Avenue. Under the name of Villa Holiday Gardens, Mrs. Beth Scofield of Lake Villa will not provide 48 separate three-room apartments but will construct a beach on Deep Lake 750 feet in length. Plans call for a swimming pool, a restaurant, a lodge and a motel. The estimated cost is \$500,000 and the general contractor is John Zakel of Burlington, Wis.

Enrollment in the Antioch Grade School System stood at 704, and Grass Lake School enrolled 126 students. Emmons registered 76, Channel Lake 140, St. Peter's School 380 and Antioch High School 675.

A welcome is extended to new neighbors in the Resthaven subdivision. Mr. and Mrs. Anthony Lomaha and their two children, Lorraine and Anthony Jr., The Lohma's are formerly of Franklin Park and have a business in Chicago.

Five Gfasc Lake Scouts and their families ended up the summer vacation with a trip to Camp Ma-ka-jaw-nan in Northern Wisconsin. They were the Robert Babe family; the George Pierses; the Mike Wojnowski; the Carl Cogdills, the Clyde Queens; and the Earl Beeses. All are from Cub Pack 80. Temperatures overnight dropped to 38 degrees, but a grand time was had by all.

Butch Lemont of Lake Bluff was the winner of a coffin given away Saturday evening between shows at the Lakes Theatre at the close of a four-day run of horror pictures.

Most Kids Need Fat In Their Daily Diet

The modern school lunch program encompasses a great many new techniques and new types of equipment according to Miss Ruth Hogan, noted authority on School Lunch Programs.

"All too many school children are passing up nutrition in favor of candy and carbonated beverages. Nutrition should be considered as education," she said.

"With these changes in equipment and techniques, we, too, must change some of our thinking about school lunch. Meat is the main food around which we plan the school menu. We do not start a menu with dessert or salad...we start our menus with meat...prepared well and served attractively."

"Meat must receive proper care and cooking to be served at its best," continues Miss Hogan. "To do this, school lunchroom personnel must learn correct, up-to-date facts about meat and meat preparation."

Disabled Vet Benefit Available

Many of Illinois' disabled veterans are now eligible for the first time to receive needed additional rehabilitative training on a part time basis, even though they are already back on the job.

New legislation approved July 26 by President Johnson extends this additional Veterans Administration assistance to veterans 30 per cent or more disabled to help them qualify for more suitable their disabilities. In Illinois, as many as 500 veterans could be immediately approved for such training, according to John B. Naser, manager of VA's Regional Office in Chicago.

In each instance, VA must determine that the additional part-time training not only is medically suitable but is a necessary adjunct to the veteran's employability.

Those approved can go to school on a part-time basis, much as non-disabled veterans, but VA pays tuition, the cost of books and supplies as well as subsistence.

In the past, this rehabilitation training could be allowed only on a full-time basis. Under the new law, P.L. 90-431, the disabled veteran may now train on as little as a half-time basis.

In addition to payment of the cost of training, tuition, books and supplies, new subsistence rates are authorized.

This part-time training is available to disabled veterans of World War II, the Korean Conflict, and the Post-Korea-Vietnam period, as well as to some peacetime veterans. They must have discharge other than dishonorable and generally their disabilities must be rated at least 30 per cent by VA.

Benefits Available For Vet's Children

The Veterans Administration will pay up to \$130 a month to help educate each son and daughter of a veteran who died in military service or a veteran totally and permanently disabled from a service-connected cause. Children of veterans who died after discharge of service-connected disabilities are also eligible.

These payments are usually provided for sons and daughters between the ages of 18 and 26, John B. Naser, manager of the VA Regional Office in Chicago said. The program is intended for education beyond the secondary school level, he said, but there are some exceptions.

Marriage does not bar this benefit. An eligible person may receive up to 36 months of schooling or the equivalent of 36 months if enrolled part time. Monthly payments are lower if the enrollment is for less than full time, and no payment is authorized for less than half time.

Eligible people of legal age may file their own applications for this program with a Veterans Administration Office, Mr. Naser said. Far minor children, the parent or guardian must file, he added. Special restorative training may be provided to young men or women unable to pursue an education because of some physical or mental disability. It consists of training such as speech and voice correction, lipreading, Braille reading and writing and the like.

In some instances, handicapped children may begin a special vocational or restorative course as early as age 14.

More than 125,000 students have been helped in the program since 1956 when it was established.

They also should be aware of the teen-ager's requirements in regard to protein, vitamins, minerals and fats.

"And speaking of fat," she adds, "like other nutrients, more of it is required by teen-agers than by adults because these are such active, growing years. I would say that in most instances fat should not be removed from the meat before cooking for school lunches because it adds to the flavor of the meat. Sometimes it represents those extra energy calories the youngsters need and which they may not be getting at home. Of course, calorie needs vary with the individual and the youngster with a weight problem should be advised to remove the fat himself. It should not be removed for him. He should also be advised to cut down on other fats and high caloric sweets and starches which contain few nutrients."

Dairymen Get Good July Price

Marking the highest July blend price in the history of the Chicago market, a minimum price of \$4.88 per hundredweight will be paid dairy farmers for Grade A milk delivered during July 1968 to plants within Zone 1 of the new Chicago regional Federal milk marketing order, Pure Milk Association reported today.

Zone 1 includes the Illinois and Wisconsin territory within 85 miles of Chicago city hall, plus Milwaukee county, Wis. and Winnebago county, Ill.

The \$4.88 Federal order minimum blend price applies to milk of 3.5 per cent butterfat content and is a blend of the \$5.53 per hundredweight minimum order price for Class 1 (bottled) milk and the \$4.18 per hundredweight for Class 11 (manufacturing) milk.

The producer butterfat differential on July milk was 8 cents per cwt. for each one-tenth of 1 per cent above or below 3.5 per cent. This differential follows the average wholesale price for 92-score butter on the Chicago market.

PMA said the \$4.88 July blend price is 32 cents higher than the previous record blend price of \$4.56 paid Chicago market dairy farmers for milk delivered in July 1952.

"In addition to the \$4.88 order blend price, producers delivering milk to plants located in Zones 1, 2 and 3 of the old Chicago order will receive an additional six, four or two cents per cwt., respectively, in superpool funds negotiated by Central Milk Producers Cooperative.

CMPC is a group of Wisconsin and Illinois dairy farmer cooperatives, including PMA, which supplies most of Chicago's Grade A milk. PMA is marketing agent for the group.

Class 1 utilization under the new Chicago regional Federal milk market order amounted to 52 per cent of total milk in the pool.

Milk produced for the Chicago regional order market pool in July, the first month since the order took effect, totaled 598 million pounds.

Career Day A Success For 4-H's

It was evident from the opening address by Dr. Tom Army, International Minerals & Chemicals, that the tour preparation by IMC's Don Iselb and committee was designed to provide an interesting and educational agenda.

Those attending were afforded an excellent opportunity to evaluate the wide variety of careers available to them at IMC.

Nine 4-H clubs were represented at the career day. The Warren Wranglers Club, Gurnee area; Millburn Hornets Club, Gurnee area; Howe, Waukegan area; Cloverteens, Libertyville area; Barrington's Flynn Valley Club, Barrington; Volo Agriculture, McHenry area; Volo Busy Bees, McHenry area; Chain O'Lakes, Ingleside area; and the Happy Haycees, Mundelein.

Tour stops included: soil and plant analysis lab, analytical chemical research labs., growth chambers, insect assay facilities, pharmacology lab, plant nutrient plots and growth regulator plots.

While the youth attending realized the career opportunities, IMC had an opportunity to become acquainted with the 4-H youth in Lake County.

Antioch Schools' Bus Schedule

OAKLAND KINDERGARTEN
The A.M. bus will leave the Methodist Church at 11:15 A.M. 1st Stop Oakwood Knolls. 2nd Stop North Ave., West of Deep Lake Road. 3rd Stop Deep Lake Road, North of Rt. 173. 4th Stop Rt. 173 West of Deep Lake Road. 5th Stop Lagoona Sub-division. 6th Stop Rt. 83 - South of Rt. 173. 7th Stop Pet Shop - Grass Lake Road. 8th Stop Villa Rica - Grass Lake Road. 9th Stop Savage Road. The bus will pick up P.M. Kindergarten students at 11:50. 1st Stop 1/4 mile West of Rt. 45 on Rt. 173. 2nd Stop 1/4 mile East of Rt. 45 on Rt. 173. 3rd Stop Pederson Bros. on Rt. 173. 4th Stop Proceed down Rt. 45 to Miller Road - turn left on Beck Road and continue on to Seven Hills - Lindenhurst. 5th Stop Golden Road. 6th Stop Deep Lake Road and Crooked Lake. 7th Stop Deep Lake Road South of Rt. 173. The bus will continue on to the church (12:30 p.m.).

Can't Hide From Long Arm of Law

For those who would escape punishment for their crimes by fleeing to another country, there are few sanctuaries left.

According to the Illinois State Bar Association, the escape routes have been closed, slowly but surely, by extradition agreements signed by the United States with most foreign powers.

The treaties provide for the return by one country to another of any suspect, or convicted criminal, if the crime is one covered in the agreement, the ISBA notes.

Today, Red China offers one of the few sanctuaries left to the international fugitive, and it is all but cut off by distance alone.

Brazil, once the favorite haven of embezzlers, con men and other Americans fleeing from justice, is one of the more recent countries to sign an extradition agreement with the United States.

Extradition between countries is not accomplished with the same ease as that between the 50 states. However, once it is shown that a particular person is indeed the person wanted and that the alleged crime is covered by treaty, his return to stand trial and/or to pay his penalty is more or less assured.

Extradition of persons fleeing one state to another in the United States is provided for by the U.S. Constitution. It states:

"A Person charged in any State with Treason, Felony, or other Crime, who shall flee from Justice, and be found in another State, shall on Demand of the executive authority of the State from which he fled, be delivered up; to be removed to the State having Jurisdiction of the Crime."

Accordingly, Illinois and the other 49 states have uniform criminal extradition laws providing for the return of a person accused or convicted of a crime to the state where the crime was committed.

In Illinois, as in the other states, an extradition warrant must be signed by the governor of the state of asylum before a person wanted in another state can be returned to that state. It is not necessary to wait for this warrant to arrest a suspected fugitive, though. He can be arrested on a fugitive warrant and either be held in custody in lieu of bond or be released on bail, if the offense is bailable in the state of asylum, while the extradition machinery is being set up.

After an extradition warrant is served on a suspected fugitive, he has by law 24 hours to decide whether he wants to fight extradition. If he decides to waive this right, he can be returned to the state seeking extradition as soon as officials from that state arrive to provide escort.

If he decides to fight extradition, it may be weeks or even months before he is returned—if ever. In the United States and other countries, such as England, with a Common Law heritage a person

THAT'S A FACT

N.I. Gas Won't Raise Rates

Natural gas rates will remain low for customers of Northern Illinois Gas Company despite the new federal income tax surcharge.

William J. Crowley, NI-Gas executive vice president, said that although some utilities across the country are seeking to raise rates to offset the tax, NI-Gas plans to hold the line even though the tax will affect NI-Gas' earnings. "To increase our rates would be contrary to the anti-inflation purpose of the surcharge tax," Crowley said.

Crowley pointed out that NI-Gas has adjusted rates downward twice in recent years because of decreases in federal income tax rates. Over the past six years, he said, NI-Gas customers have enjoyed rate cuts totaling about \$31 million on an annual basis.

You can combat air pollution by being careful how you burn trash, making sure your furnace is not contributing to the problem, and getting exhaust control devices up on your car as soon as possible. Air is still polluted by smoke and soot. But it is also polluted by the wastes and gases from oil and gasoline and from the new chemical processes to create our wonder drugs and fabrics.

fight extradition by filing a writ of habeas corpus, the historic remedy for deliverance from illegal confinement. The accused could show that his confinement is illegal by proving that he is not the person named in the warrant with which he was arrested originally or that he is not a fugitive or that the extradition papers are not technically in order.

Real Estate Courses Now Are Open

The Real Estate Preparatory Course, which has graduated 90 north and northwest suburban residents in two sessions in Glenview this summer, will meet again in this area beginning Sept. 3.

Theodore D. Bell, founder and vice-president of First Trade-In Homes Corporation of Chicago, will teach the four evening classes in the Scott, Foresman and Co. Auditorium, 1900 E. Lake Ave., Glenview.

The course will meet Tuesdays and Thursdays, Sept. 3, 5, 10 and 12, from 7 to 10 p.m. Real Estate Education Corporation, 111 W. Monroe St., Chicago, sponsors the five-year-old course, which prepares men and women for the State of Illinois Salesman's and Broker's License Examinations.

The Corporation also offers its course monthly in the John Marshall Law School Building in downtown Chicago, and in special sessions every other month at a west suburban location. Faculty members, like Mr. Bell, are all businessmen with many years of experience in real estate.

Bell's firm, First Trade-In Homes Corporation, serves home builders and realtors by purchasing their prospective buyers' present homes, to facilitate the sale of "new" homes to them. All homes "taken in trade" are resold through local real estate brokers.

A member of both the National and Chicagoland Home Builders Associations and of the Chicago Real Estate Board, Bell is especially knowledgeable in the areas of home sales, appraisal and financing.

Millburn To Enroll 140

Supt. Dean Patterson of the Millburn Grade School said that school children will register from 9 a.m. to 11 a.m. on Sept. 3 and that Sept. 4 will be the first full day of school.

The first kindergarten will go into operation at Millburn this fall with approximately 25 students.

The Millburn Grade School board has set Sept. 17 for a public hearing on the district's proposed \$113,000 budget for 1968-69. The hearing will be held in the school building offices.

Supt. Patterson said the school has eight teachers under contract, three of them new. Estimated enrollment is 140 students.

It is expected that completion of the new addition will be finished in time for the fall classes.

The purring of the motor often lures a tired driver cat into a catnap. Keep your head up and your eyes open. No cool cat ever naps on the move.

Dental Care For Vets

Veterans who need dental care for conditions that developed during their military service should apply to the Veterans Administration within the first year after their release from military service, a VA official advises.

Joseph J. Frankel, M.D., Director of the VA Outpatient Clinic of the Chicago West Side Hospital, said that in most instances veterans are limited by law to a one-time completion of treatment for conditions incurred during military service and that generally this must come within a year of discharge.

The one year limitation does not apply to treatment of service-connected dental disabilities that are severe enough to rate VA compensation, Dr. Frankel said.

Conditions resulting from service wounds or injuries—although too minor to rate compensation—can also be treated after one year. The same is true of dental conditions that the VA decides are aggravating other service-connected conditions.

Former prisoners of war are entitled to dental care as often as needed for service-connected dental disabilities.

Treatment for some dental conditions may be started for Vietnam veterans even before a final decision has been made on the service connection, provided application is made within six months after release from service.

Disabled veterans who are receiving training under VA's vocational rehabilitation program and Spanish American War Veterans are eligible for dental care without regard to a service connection.

Dr. Frankel said VA provides treatment at any of its field stations equipped and manned to provide these services. Private dentists may be authorized to treat veterans when the VA is unable to provide treatment or when it is considered a hardship for the veteran to report to a VA facility.

Census Bureau Will Survey Smoking Habits

Census Bureau interviewers will conduct a survey here concerning the smoking habits of the population during the week of August 19, Director Theodore F. Olson of the Census Regional Office in Chicago announced. Interviewers will ask about people's past smoking habits as well as present habits in order to discover whether there have been significant changes over the past year.

Interviews conducted locally are part of the third annual survey of smoking habits taken among a representative sample of the nation's population to provide statistical data for the U.S.

DRIVING FOR TRAFFIC SAFETY

by Paul Powell
Secretary of State

Passengers who make demands on the driver's attention can be dangerous.

You've seen the four business men, or the couple of ladies driving down the road carrying on a lively conversation.

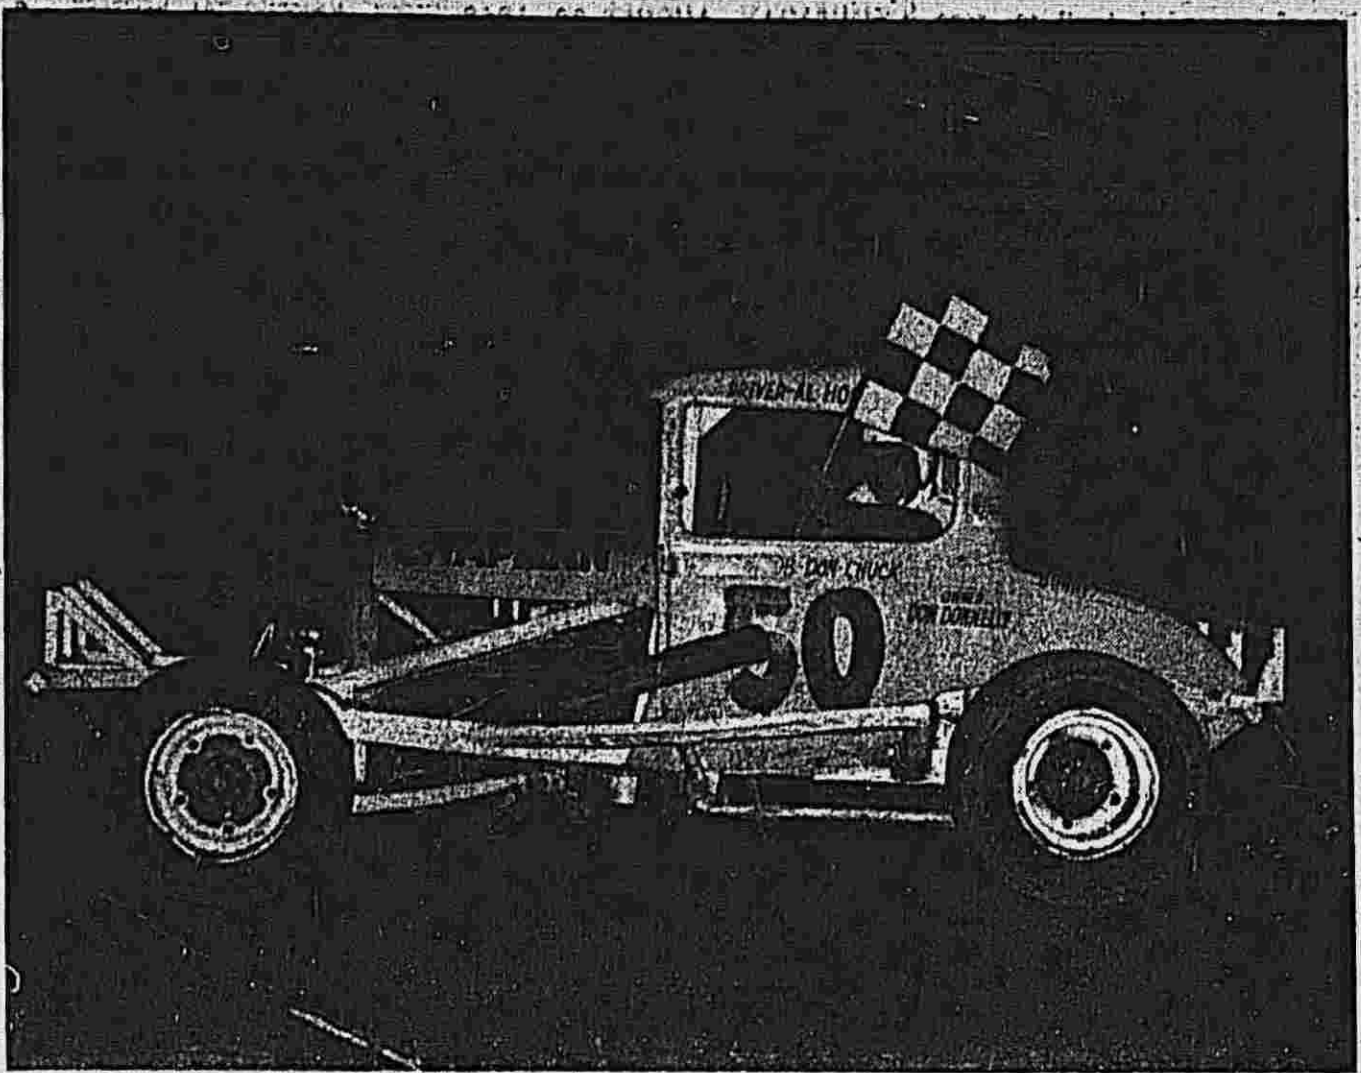

Did the thought cross your mind, "I wonder how that man can keep looking in the back seat and still watch his driving?"

The answer is... He can't! Just congenial conversation can divert the driver's attention. But, when you get into controversial subjects or arguments, this takes animated participation on the part of the driver and his driving suffers.

Even startling news, jokes, too much or too loud conversation can all take the driver's attention away from his driving.

Too many passengers create problems of vision and concentration and may interfere with the driver's ability to maneuver the car.

For a copy of the new Rules of the Road booklet, write to Paul Powell, Secretary of State, Springfield, Illinois 62706.

Al Horton of Antioch proudly displays checkered flag as he wins second heat of Waukegan Speedway last Sunday. Horton was also the winner of the semi-feature race. (Photo by Robert F. Berezniak)

Records Broken At Waukegan Sat.

Harris Wins Sun. Feature

Al Hagerty and Dennis Burgen broke track records at the Waukegan Speedway Saturday night, but the feature race saw Mike Wolff score his first major triumph of the season.

Wolff took the lead at the half from Dick Vanderspool and then was shadowed to the finish line by Vanderspool. Jim Cossman spun completely around, but recovered to finish third. Jack Ester was fourth and Harold Gutche took fifth.

Harold Gutche, Jack Ester, and then Al Hagerty led the exciting trophy dash in the six blistering laps with Hagerty setting a new mark averaging 17.55 a lap. Burgen came back in the third heat with the track in excellent shape as he shattered the ten lap mark with a 17.50 average. Previously Jim Cossman held both these records.

Last lap wins again thrilled the crowd as two of the events were decided on the white flag lap. Roy Hansen led all the way in the second heat, only to have Vanderspool inch by down the backstretch of the final lap. Hansen drove into the third turn so hard he spun completely out of the money.

Chuck Chadwick passed Paul Lewis in the Hobby Feature with 3/4 lap remaining to win this third feature. Jerry Powers finished third.

SUNDAY, AUGUST 25

It's agreed: Johnny Reimer can't be beat at Waukegan Speedway and Whitey Harris is jinxed for a feature win. Harris held a commanding half lap lead going into the fifteenth lap of the important Summer Championship

Football Ready To Begin Anew

Four tough, rough, and evenly matched professional football games are on tap in the Central States Football League, Labor Day weekend.

With the impetus of regular league play behind following last weekend's opening round, all teams should be "up" for some jarring, wide-open play.

On Saturday, Aug. 31, the Racine Raiders and the Rockford Rams meet at Rockford. Rockford, formerly the Elmhurst Travelers, has drawn over 5,000 spectators per home game this year, and is proving a CSFL hotbed.

Another Saturday night game has the Madison Mustangs against the Lake County Rifles of Waukegan. The defending champion Rifles and the Mustangs were both undefeated in pre-season play.

On Sunday, Sept. 1, the West Allis Spartans, northern division titlists last year, take on the Delavan Red Devils at Delavan. Both teams had 1-1 pre-season records.

The remaining game features the Sheboygan Red Wings against the Manitowish Chiefs at Manitowish. The Chiefs beat Sheboygan 33-0 in pre-season play, not a realistic assessment of the Red Wings' capabilities, according to Sheboygan sources.

All CSFL games Labor Day weekend begin at 8 p.m.

modified feature Sunday, yet Reimer won the race.

Any race fans that left early will find it hard to believe that Harris could have lost this race, as he held such a commanding lead, but when the drive shaft fell out of the car in the final lap, Whitey had to coast home. Meanwhile Reimer, buried up the track just behind Harris to the checkered, Claude Potter inched out Roger Von Otto for third in the race.

Harris put his popular A-24 "Purse-snatcher" modified on the trailer with rear end problems and qualified as piloted with mild success this season by Mike Kukula. Harris turned in ninth last time, won the third heat race and took the feature lead in the third lap to lead all the way until the fourth turn of the final lap.

The feature was accident-free, however the cars of Paul Cameron and Bill Bohn were damaged in a "hot lap" accident just before the feature. Bohn was unable to repair his No. 2 in time to return to the feature.

Sox Win L.L. Round Robin

The first game of the Little League "Round Robin" was played recently between the first place Tigers and the third place Dodgers.

The Dodgers scored 4 runs (including a home run by Laursen) in the first inning, and came back to get 4 more runs in the second and 1 in the third inning to win the game 9-6. The winning pitcher was the Dodgers was Molini, the losing pitcher for the Tigers was Underhill.

The fourth place Giants played against the second place Sox. The Sox tied it in the fifth, scoring 2 runs, and got 5 runs in the 6th to beat the Giants 7-3. Glover was the winning pitcher and Wanner was the losing pitcher.

The last game of the Round Robin was between the Sox and the Dodgers. The Dodgers were winning until the fifth inning when the Sox exploded for 4 runs and got 5 in the 6th to beat the Dodgers 13-4. The winning pitcher was Warring and the losing pitcher was Lindberg.

Track Becoming Major Sport

Growing trend toward track as a major competitive sport was evidenced during the Junior Sports Jamboree held this past weekend in Peoria. The annual event, sponsored by the Illinois Youth Commission and the Illinois Jaycees, brought 579 youngsters together to participate in the annual events.

The Youth Commission pointed to the continuing increase in the number of boys and girls participating in the competition as indicative of strong community support for the activity.

Duck Season Starts Nov. 2

Duck hunters will enjoy a 30-day season this fall. The season runs from Nov. 2 through Dec. 1. Daily bag limit will be three and possession limit will be six.

Happiness is finding your glasses soon enough to remember why you wanted them.

Sexton Wins Eliminator At Rockford

Tom Sexton of Antioch won the Super Eliminator races Sunday at Rockford Dragway, Byron, Ill. In besting the 8 car field of supercharged gas and fuel drag machines, Tom set low E. T. three times, high m.p.h. twice, and also set a new track record for injected fuel dragsters twice.

First round super eliminator action saw Dave Brownell's fuel dragster win over Palmer Lazarus' supercharged gas coupe with an 8.50 e.t. Tom Sexton's SOHC-Ford fuel dragster came alive to an 8.30 e.t. at 182 m.p.h. to win over Wilbur Brass' supercharged gas dragster, and set high m.p.h. and low e.t. also.

The Lindert, Van Der Plough, and Gibson fuel dragster won their race with an 8.48 over the Lowell and Dahl fueler. Gordon Selkirk's supercharged gas coupe turned a strong 9.37 to win over the fuel dragster of Bob Johnson in a handicap match.

The second round of cars had Tom, Sexton's "Adrenaline" fuel dragster paraded to the Lindert, Van Der Plough and Gibson fueler but the L, UDP & G. car failed to start and Sexton soloed to an 8.02 at 185 m.p.h. for another low e.t. and high m.p.h. for the day and also a new track record for the injected fuel dragsters. Dave Brownell's fueler was then paired to Selkirk's gasser as Selkirk outpowered his min a handicap race with another 9.38.

The last run had Sexton's fueler come to the line with Selkirk's for the money run, which was being broadcast live over Rockford radio. Selkirk's gasser was first off the line on the handicap race and Sexton's SOHC-Ford dragster had his 12" tires lit up heavy for half the track as he passed Selkirk for the win at a 7.3 at 182.2 m.p.h. for another new low e.t. and record.

Mrs. Ernest B. Ott of Felter's Subdivision proudly displays a ten pound Musky caught by her husband recently at Planting Ground Lake, Clearwater Lake, Wis. The Musky was caught with a Mepp's "Giant Killer" lure.

Archers To Shoot At NIIC Sept. 1 & 2

The Northern Illinois Conservation Archers will hold a two day "Necedah Type" Broadhead shoot at 8:30 a.m. Sept. 1, and 2:30 p.m. on Sept. 2.

Trophies will be awarded to men, women, sight and bare bow winners.

The shoot, consisting of twenty-eight targets will be held at the Northern Illinois Conservation Club, located three miles west of Antioch on Rte. 170.

Anderson Wins Sat. Feature At Wilmot

Ahrnet Wins Championship Race

Saturday, Aug. 24, Tommy Anderson became the sixth IRA modified stock car driver to win a 30 lap feature race at the Kenosha County Speedway when he took the lead from J. W. Jamerson on the 24th lap and then saw the checkered flag and the red flag waved as he crossed the finish line on the 30th lap.

With Otto and Bohn each winning more points than Harris, the final race Saturday, August 31 for the Championship, is sure to be wild, wide open throttle affair. Otto is now only 34 points out of first place and Bohn now only 43 points out. All events next Saturday night will offer double championship points and a clean sweep would be worth 60 points.

Ron Bergsma finished the feature in third place for his best Wilmot performance of the year. Bergsma had started 9th. Fourth was Jim Bozeman who started 14th.

Other heat race wins were scored by Roger Jacobson, Ken Hanson and Ron Bergsma. Bergsma led his heat from start to finish but it was one of the most thrilling races of the year with Tom Anderson taking second place away from Roger Otto and all other cars closely bunched even at the end of the 10 laps.

Bob Deidrich won the semi feature ahead of Kruze, Lauren Lavrance, Ron Larson and Ron Crane.

Missing among the regular contenders of the IRA modifieds at Wilmot were Jim Sullivan who was away driving sprint cars at St. Paul. He won a heat race there and his car broke a torsion bar in the feature. His driving however has earned him the promise of a ride in a USAC sprint at DuQuoin. Jim, formerly a stock car driver but that activity was limited. Jr. Dodd of Waukegan, 8th in point standings, has again been stuck with an under attack and may even miss the championship race next Saturday night. Don Sorce, sixth in point standings, was also missing, but there was no report for his absence. He was ahead of Sullivan and Dodd in the point standings, so there was no change in their standings. Eddie Loomis, however, did move from 9th place to 7th behind Sorce.

The attendance was 3075 and the purse was \$2345.50. Next Saturday's semi feature race will be for 30 laps and the feature will be for 50 laps. Point standings will determine the starting positions in both events and lap prizes of \$5 each will be paid to the leaders of each lap.

Tim Seyl's Barracuda Plymouth failed him twice Saturday night while he was trying to be a star of the late model championship race. Seyl went into the race with a good point lead but only the combination of failures by other drivers' cars too earned him the Championship Title for 1968.

On his second time trial run, the drive shaft went out and imbedded itself in the clay track on the main straight-away. Seyl missed the heat races but his

crew had the car ready for the 30 lap feature race.

An accident on the third lap put Don Pulera and Arnie Haussman out of the race. Haussman had been the biggest threat to Seyl's lead for the title. On the 18th lap, while still trying to get up front to earn some of the lap prize money, Seyl's transmission went out and he watched the remainder of the race from the infield.

Ahrnet won \$80 in lap prize money, which was fully subscribed for the 30 laps. Sinnen won \$55 and Jacobi got the remaining \$15.

Seyl's run for the Championship started late at Wilmot with Tim getting his first four wins on July 3rd. Other feature race winners for the year have been Jacobi, Haussman, Ahrnet, Jim Bayless, and Jim Cossman.

The double points awarded in the late model races let Aschenbrenner move into the second position in standings ahead of Haussmann. Ahrnet, who had been fourth, moved into third place.

Ahrnet received a trophy for the win in the Championship race and Tim Seyl will be awarded his Season Title Trophy next Saturday night along with the modified driving trophy award ceremonies.

Harris Wins Wed. Feature At Wilmot

Whitey Harris moved at least one step closer to winning the 1968 Kenosha County Speedway Championship for modified stock cars Wednesday, Aug. 21, with another feature race win. It was his eighth win of the season at Wilmot.

Bill Bohn of Kenosha, who is also in the title chase with Roger Otto of Burlington, was second in the feature. Bohn also won a 10 lap heat race, so this gave him a big boost toward catching Roger Otto. Third in the race was Tom Anderson, then Otto and Johnny Reimer.

The 15 lap semi feature race brought out the checkered flag for the second time to Dick Bentley who had won an earlier lap heat race. Following Bentley in the semi were Paul Cameron, Jimmy Hedges of Kenosha, Bill Sequist and Chuck Henne.

Other heat race winners were Dean Kruze and J. W. Jamerson. The late model feature race was won by Jim Cossman of Waukegan with Dennis Burgen and Herb Arnet chasing him to the checkered flag. Late model heat races were won by Dave Evans, Dave Zillmer and Cossman.

Gwen Schill of Franksville was the Ladies' Powder Puff Derby Race winner and collected a trophy plus a kiss from Roger Otto in Victory Circle.

The following Saturday night, Aug. 31, the modified stock cars race in their Championship race for 50 laps and this will end the season at the Wilmot oval.

Whopper Caught

No big fish in Cross Lake? Don't you believe it! Art Schuman caught a 21 1/2" large mouth bass weighing 5 lbs. last week.

New Legislation Affects Campers

SPRINGFIELD, Ill. — Legislation easing restrictions on the registration and operation of house cars, house trailers, campers, and private living coaches was signed into law Wednesday

by Governor Samuel H. Shapiro. Legislation enacted in 1967 changed the classification of these vehicles from passenger cars to trucks. The new legislation keeps them in that category, but specifically defines them as recreational vehicles and establishes a separate class called non-commercial vehicles with a separate fee schedule and distinctive license plates.

Mr. Powell pointed out that the initial 1969 registration for these vehicles will be for six months only, but that beginning July 1, 1969, the registration will be for the full fiscal year starting on that date.

Superintendent William H. Morris of the State Police has advised that all vehicles registered as recreational vehicles are not subject to annual inspections as required for trucks.

He also advised that the weighing stations, which are operated by the State Police, do not require vehicles weighing less than 16,000 pounds to stop and be weighed.

In addition to the new registration provisions, the legislation limits all recreational vehicles to a 55 mile an hour speed limit on highways.

State Bank "A" In First Place In Tues. Golf League

With two weeks to go, the Tuesday Night Golf league has the State Bank "A" team in first place with 63 points.

State Bank "A" grabbed 3 1/2 points from Gibbs and Jensen to assure them of the first place spot on Tuesday, Aug. 20.

Second place is being contested by State Bank "1" with 48 points, Gibbs & Jensen with 47 and Teresi Chevrolet with 44 1/2 points.

Team standings as of Tuesday night, Aug. 20:

State Bank "A"	63
State Bank "1"	48
Gibbs & Jensen	47
Teresi Chevrolet	44 1/2
The Shoe Box	43
King's Drug Store	42
Wilton T.V.	38
National Bank	31 1/2
Antioch News	27

THURSDAY, AUGUST 29, 1968

THE ANTIOCH NEWS 7

When Gerry Ring, taxi cab driver from Antioch, competes in the Powder Puff races at the Kenosha County Speedway in Wilmot, the entire family turns out with grandchildren too. They are shown against the grandstand fence last Wednesday night at Wilmot just before the start of the race that was won by Gwen Schill of Franksville. But with this kind of support, who has to win? Mrs. Ring has 14 children and did win a contest earlier this year as the mother with the most children. This contest was held at the Rockford Speedway where she was just a spectator to the super-fast modified stock car races.

Bow Shoot At Aurora

The first annual Great Lakes Section 3-D animal Bow Hunting shoot will be hosted by the Aurora Archers, and sponsored by the Fox River Valley Park District, Aurora.

Archers from Illinois, Michigan, Wisconsin, Indiana and Ohio and other mid-western states are expected to compete in this Sectional meet on August 31, and Sept. 1.

On Sept. 2, the annual Illinois State Broadhead Championship shoot, sponsored by the Illinois Archery Assn. will be held at the same Auroraland Range. More than 1500 archers are expected to shoot at the beautiful 3-D Styrofoam animals of which there will be 72, all lifelike, and set in their natural surroundings. The range of the Auroraland Archers is located just north of the Fox Valley Country Club on Route 25.

Spectators are welcome to come out and look over the action, and photograph the animals, some of which will be motorized, and will be shot on the move.

Big Week Of Racing Ahead At Waukegan

The Waukegan Speedway will swing open their gates on six of nine nights surrounding Labor Day with auto racing five nights and the world-famous Joie Chitwood Auto Thrill Show rounding out the schedule.

This Saturday and Monday night will see the late model stock cars in fender to fender competition on Waukegan's quarter mile clay oval. Last Saturday night two new track records were set as these cars are running faster than ever.

Monday's Labor Day night card will also feature a team demolition derby with Walsack Auto Salvage answering the challenge to Butch Anderson's Auto Parts.

Sunday night's modified stock car program will again be a test to see if Whitey Harris can break his jinx which has kept him out of the feature winner's circle since June 15.

Friday night, September 6, will serve as a make-up date for the Chitwood Thrill Show which was rained out late in June at the Waukegan track.

Late model stock car races are scheduled for September 7 and the modifieds will race September 8.

The danger in Labor Day driving stems mostly from starting too late and then traveling too far—too fast! Leave early enough, expect the unexpected, and shorten your distance objectives.

Prosperity is when you are in debt from preference instead of necessity.

Pro Football Not As Violent Today

So you think pro football today is rough, tough . . . and violent.

The game is not nearly as violent and rugged as it was in the post-war years through the late fifties. The authority for this view is Don Paul, who played linebacker for eight seasons with the L A Rams and made the pro bowl all-star team three times.

Paul writes in the current issue of TV Guide Magazine (Aug. 31) "Pro football today is civilized compared to what it was."

The former Ram linebacker says back in his days the rules permitted rougher play and teams took advantage of the situation.

Here are some of the reasons he says today's pro football is easier: "There has been an increase in the number of officials and thus violations are reduced. Rules are now designed to protect the offensive backs and ends.

And game officials give the quarterbacks much better protection than in the old days. Paul also contends that today's pro players are better trained, more sophisticated and arrive for road games completely rested and relaxed. No more 19-hour cross-country plane trips before a big game.

Kids To Play Dads In Ballgame Sept. 8

Sunday, September 8th, 1968 at Doenecke Field the Ballplayers of the Pistakee Highlands League are challenging their Dad's to a seven inning baseball game. A family dinner is planned followed by a double header baseball game. Jack Reilly and Craig Thoren the team coaches are in charge of the event. Play begins at 1:00 p.m. at Doenecke Field 1015 W. Broadway, Pistakee Highlands.

"Moms" Beat "Pops" In Big Thriller

One of the most hilarious ball games of the year was played Sunday by the Little League's Moms and Pops.

The "Moms" won with a score of 5-2 at the end of two innings. The game was completely exhausted with the "long" game and strenuous effort.

Of great assistance in helping them get their win, were the generous decisions of the umpires who were none other than their Little League sons.

The game, of course, was played under protest by the "Moms" as the "Pops" were winning in the first inning.

"The 'moms' came through in the second with their mighty swats and when they saw that they were ahead, decided it was a good time to quit.

The winning pitcher was Glena Bogaerts and the losing pitcher was Howard Laursen. Betty Davis managed the "Moms" team and Gordon DeBoer was the "Pops" team manager.

The game was played with a 16" softball.

The "moms" were very grateful that they didn't have to play against their Little League sons with the fathers doing the umpire work.

G.L. "National Open" This Week End

The 3rd major drag racing event of the year, the Great Lakes "National Open" will take place Friday, Saturday, Sunday and Labor Day—August 30 through September 2nd at the Great Lakes Dragway, Union Grove, Wis.

The four day event kicks off Friday night at 8:30 with the United Drag Racers supercharged nitro fuel "funny cars" headlining the races.

Saturday night's program will again feature the nitro burning funny cars but this will be an open event for everyone.

On Sunday and Labor Day, cars in every division will compete. This will be the first time this year that the nitro fuel funny cars and nitro fuel dragsters will race together on the same days. More than 500 cars will compete each of the 4 days with a guaranteed cash purse of \$30,000.

Friday's and Saturday's races will be under the lights starting at 8:30 while Sunday and Labor Day will be afternoon races getting under way at 2:00 p.m.

Major Drag Event At Union Grove

The 3rd major drag racing event of the year, the Great Lakes "National Open" will take place Friday, Saturday, Sunday and Labor Day, August 30 through Sept. 2 at the Great Lakes Dragway, Union Grove, Wis.

The 4 day event kicks off Friday night at 8:30 with the United Drag Racers supercharged nitro fuel "funny cars" headlining the races.

Saturday night's program will again feature the nitro burning funny cars but this will be an open event for everyone.

Deer Quotas

Deer permit quotas have been filled in Marshall, Fulton, LaSalle, Peoria and McHenry counties.

There is only one way to eliminate the bump in bumper-to-bumper traffic on a holiday weekend. Give yourself more space cushion between your car and the car ahead.

FUNERAL NOTICES

HENRY (Happy) LANGE

Henry "Happy" Lange, 82 years old of 3615 Burton Trail, Crystal Lake, Ill., passed away at 4:30 a.m. on Wednesday, August 21, in Hillcrest Nursing Home at Twin Lakes, Wis.

He was born Sept. 25, 1885 in Chicago, and had lived in Kenosha County for the past 47 years. His last address being at 210 N. Water Street in Silver Lake, Wis. He had owned and operated "Happy Lange's Pikeville Tavern" and more recently was in the fruit and vegetable business in the Antioch area. He married Louise C. Meyer on June 11, 1931 in Chicago and she passed away on Oct. 10, 1965. Three brothers and two sisters also preceded him in death.

Survivors are a daughter, Mrs. Robert (Ruth) Frye, of Crystal Lake, Ill., with whom he lived, two sons Edward W. Aweve, McHenry, Ill., and William F. Aweve of Evanston, Ill., seven grandchildren and six great-grandchildren. Funeral services were held at 9:00 a.m. Saturday from Strang's Funeral Home at Antioch, to St. Patrick's church at McHenry, for a 10:00 a.m. mass.

ROBERT J. LUDFORD

Robert J. Ludford, 20 years old of Rena Avenue near Petite Lake, Antioch, passed away at 4:00 a.m. on Monday, August 26, at Milwaukee County Emergency Hospital from a gun shot wound inflicted by a Milwaukee man. He was born Nov. 28, 1947 in Chicago and resided there until moving to Antioch 14 years ago. He graduated from Antioch Township High School and served in the U. S. Army. He had been living with his brother William H. Ludford, Jr., in Milwaukee after his discharge, and had been working in Milwaukee. He was a member of St. Peter's Church in Antioch.

Survivors are his parents William H. and Bobbie Jean Ludford, Antioch; one sister, Mrs. Beverly Jean (James) Nicewarner, Round Lake, and three brothers, William H. Ludford, Jr., of Milwaukee, Wis., A. Daniel Ludford, of Antioch, and Patrick Ludford, at home. Also surviving are his paternal grandmother, Mrs. Florence Morin, of Antioch, and maternal grandfather, Luther D. Walker, of Bradenton, Florida. Funeral services were conducted Wednesday from Strang Funeral Home in Antioch, to St. Peter's Church for a 10:00 a.m. mass. Interment was in Mt. Carmel Cemetery in Antioch.

JAMES EDWARD KIRTON

James Edward Kirtion, eight weeks old of Burlington, Wis., passed away suddenly at 3:00 a.m. on Tuesday at the Burlington Memorial Hospital. He was born June 30, 1968 at Burlington. He is survived by his parents, James E. and Marjorie Plovman Kirtion, of Burlington, Wis., maternal grandfather, Donald Plovman, of Twin Lakes, Wis., paternal grandparents Samuel E. and Beulah F. Kirtion, of Burlington.

Funeral services were held Thursday morning at Strang Funeral Home at Antioch. Rev. Larry Wick of the Grace Evangelical Lutheran Church at Richmond officiated. Interment was in Green Ridge Cemetery at Kenosha.

Labor Day is a time when the nation's motorists cross the border between summer and winter driving. Make sure that your pass is stamped "Defensive Driver."

In observing the mini-dresses along the streets the thought occurs: Never have so many paid so much for so little.

Scott Wants State Aid For Police

State aid to enable local communities to increase police salaries and training, and to strengthen police pension funds was recommended by William J. Scott, Republican candidate for Illinois Attorney General.

In a statement to the GOP state platform committee, Scott pointed out that money to fund the state-aid program will be available through the new multi-billion dollar Omnibus Crime Bill recently enacted by the Federal government.

"In order to receive the federal funds, states must draw up an anti-crime program within the next six months," Scott explained. "Drafting this program should be given top priority in Illinois, if we are to take advantage of this unprecedented opportunity to strengthen local law enforcement."

The GOP Attorney-General candidate pointed out that the Federal anti-crime bill makes money available for new concepts and new approaches to law enforcement, but still retains state and local control. Republicans in Congress insisted on state administration of federal grants to prevent Washington influence in local law enforcement activities.

Scott, who was a special prosecutor for the U. S. Attorney General's office before he was elected Illinois State Treasurer in 1962, said the state governments must work closely with local city and county law officials if the war on crime is to be won.

The former State Treasurer told the GOP platform-makers that dramatic new approaches to law and order must be taken "if we are to combat the growing cancer of violence and lawlessness sweeping the country."

"We Republicans should give top priority to a massive educational program stressing the rights and responsibilities of every citizen," Scott said.

Ray Page, Illinois Superintendent of Schools has assured Scott that such a program can be inaugurated through the Illinois public schools.

Scott proposed creation of a statewide Criminal Bureau of Investigation under the legal guidance of the state Attorney General's office.

"Syndicate crimes—such as gambling, murder and vice—are usually violations of state, rather than federal law," he emphasized. "The federal government has had primarily to use the subterfuge of tax evasion to prosecute organized crime."

"What we need is a State Bureau of the same high caliber as the F.B.I. to deal more directly with these crimes."

He added that Illinois has at its state university one of the most advanced computer centers in the United States, as well as one of the leading law schools in the nation—"two of the most important resources needed for the Police Academy," Scott said.

WHAT'S IN A NAME?

Sirloin is the name of a beef cut, but it has many variations. The loin end of a sirloin is also marketed by these names: hip, short hip, head loin, rump, K-style butt, sirloin butt bone-in, just plain sirloin butt and Sir Butt. Mechanically tenderized steaks are found labeled: cubed, minute, quick or sandwich steaks. Most of these have a cubed pattern from the machine that tenderizes them. They're also quick-to-fix, but they'll usually take more than a minute.
